

LMDC: Participants in Alternative Custody Programs

Measurement method:

The number of participants in home incarceration programs or community corrections programs

Why measure?

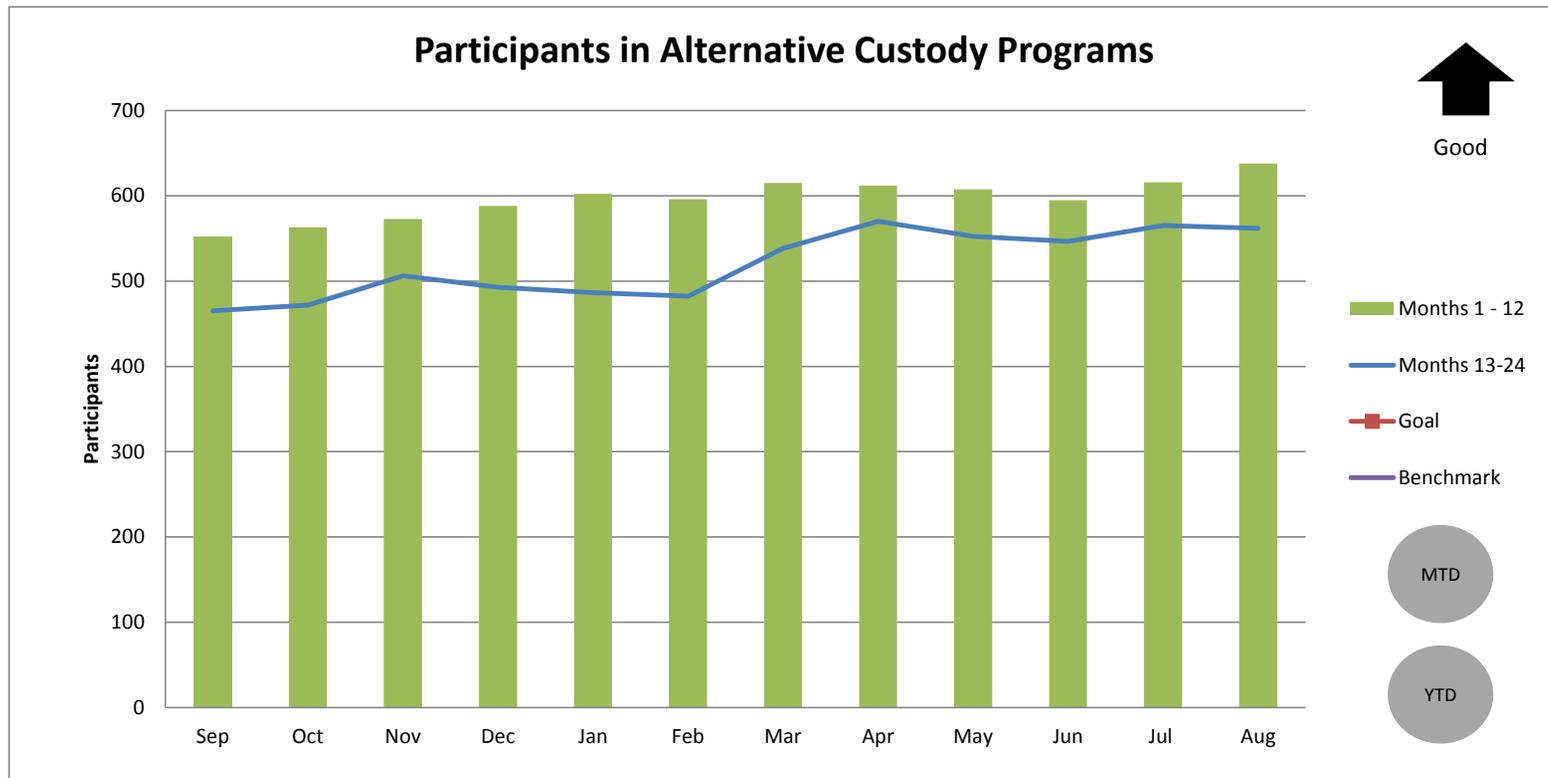

Ensure that inmates receive the appropriate level of supervision

What is our goal?

Increase the number of participants in alternative custody programs

How are we doing?

YTD Goal = TBD; YTD Total = 7,158 participants; YTD Average = 596 participants; MTD = 638 participants
